VION TECHNICAL SERVICES L.L.C

COMPANY PROFILE

Estd.2026

Dubai - UAE

+971 50 3691327

vionemirates07@gmail.com

A service-focused technical works company offering a range of installation, repair and maintenance activities.

ABOUT US

Vion Technical Services L.L.C. provides a range of technical and property-related services, covering interior finishing, building installations, repair and maintenance works. The company's listed activities bring together practical services for interior spaces and building systems, from tiling and plaster works to electrical, plumbing and air-conditioning installations.

Our Service Approach

We deliver reliable technical services through quality workmanship, clear communication and efficient project execution.

Our Mission

To provide practical technical services and maintenance support that help customers maintain functional, comfortable and well-finished spaces.

Our Vision

To build lasting customer relationships through consistent service, responsible work practices and a commitment to quality.
